

SuperSpeed USB-C Device Cable

USB 3.2 Gen 1, 5 Gbps, Type-C Male to Type-A Female, 15 cm (6 in.), USB-IF certified, Black

Part No.: **355285**

EAN-13: 0766623355285 | UPC: 766623355285

The Manhattan USB-IF certified SuperSpeed Type-C Device Cable easily connects a USB type-A peripheral or accessory with a type-C device port. Ideal for use with any USB type-A plug-and-play device, this Device Cable supports full data transfer rates up to 5 Gbps on Windows and Mac systems. It provides fast, reliable transmissions and current up to 3 amps. Nickel-plated contacts, shielding and fully molded boots with strain relief help provide dependable connections, maximum conductivity and minimal data loss with reduced EMI interference.

Features:

- USB type-C male to type-A female
- Connects a USB 3.0 or 2.0 type-A device to a SuperSpeed type-C port
- Supports speeds up to 5 Gbps
- Delivers current up to 3.0 A
- SuperSpeed USB for ultra-fast data transfer rates with zero data degradation
- Lifetime warranty

Specifications:

Standards and Certifications

- UL 2725
